KITM

- Completed 10 years of Academic Excellence
- More than 2500 alumni
- Pedagogy based on industry – focused experiential learning
- Scholarships for deserving students
- Highly qualified and experienced faculty
- Preferred hiring partner of over 90 leading Indian and multinational Companies
- Sophisticated and contemporary infrastructure
- Focus on personal grooming and fostering a spirit of entrepreneurship
- Student – friendly & safe learning environment
- Internet connectivity with 32 mbps bandwidth, Wi-Fi Campus
- Chosen channel partner for IIT – Bombay and IIT-Kharagpur to offer high quality, Web based distant learning programmes
- Active Research and Development Programmes; Part of a national project NPMASS and worked on MEMS based sensors for ISRO, IGCAR & DRDO
- Designed MEMS based Capacitive Micro-machined Ultrasonic Transducers (CMUT) for Naval Physical & Oceanographic Laboratory (NPOL), DRDO Kochi to be used in war ships by Indian Navy

OUR AFFILIATIONS FOR RESEARCH AND TRAINING

- Associated with CEERI, Pilani for design & fabrication of MEMS based Acoustic sensor for Chandrayan –I mission
- Thapar University, Patiala
- Delhi University, Delhi
- MSME Development Institute, Karnal
- Remote Centre of IIT Kharagpur & IIT Mumbai

APPROVALS AND AFFILIATION

AICTE (Govt. of India) Approved

ABOUT KITM
Kurukshetra Institute of Technology & Management, Pehowa Road, Kurukshetra has been set-up by Shanti Devi Educational Trust, Kurukshetra in 2007 with the approval of All India Council for Technical Education (AICTE), New Delhi and Department of Technical Education (DTE), State Government (Haryana) and is affiliated to Kurukshetra University, Kurukshetra.

OBJECTIVE
The Kurukshetra Institute of Technology and Management (KITM) has been established for imparting quality higher education in technology and management to generate competent young engineers and managers to cater to the requirement of industries, professional institutes and other organizations.

OUR MISSION
To provide excellent professional training to students to enable them successfully meet the challenging demands of the global market.

OUR DESTINATION
To reach the forefront of technical and management education by creating highly targeted professional leadership by meaningful transformation of mind and spirit.

QUALITY EDUCATION POLICY
To generate competent professionals having the depth of knowledge and a value system that will enable them to face the challenges of the future.
KITM at a Glance

ACADEMIC
- Effective learning environment
- Well qualified & experienced faculty members
- Well-equipped modern laboratories
- Impressive inventory of books, journals and references etc. in library
- Ethernet based – digital library
- Research & Development cell
- Live projects deployed in market
- Industry related co-curriculum activities

LIFE SKILLS
- Soft skills training by experienced trainers and associated faculty
- Campus recruitment support through professional trainers
- English communication laboratory
- Emphasis on development of interpersonal and Communication skills
- Grooming with ethical and moral values
- Frequent iconic campus visits for motivating students
- Various Technical & Cultural Clubs

INFRASTRUCTURE
- Embedded high class modern facilities
- Conveniently located on Kurukshetra – Pehowa Highway
- Just 9 Kms from Kurukshetra University
- Internet connectivity with 32 mbps bandwidth, Wi-Fi Campus
- Separate hostel for Girls and Boys in the campus
- 24x7 power and water supply
- Cafeteria to serve healthy food and snacks
- Air Conditioned labs and library
- Indoor as well as outdoor sports facilities
- Well equipped gymnasium for fitness
- Own transportation system connected to nearby areas
- Serene, clean, green and safe learning environment
- Computer center equipped with high end servers and computers
- Auditorium with audio-visual facility
- Shopping complex and student activity centre with modern amenities
Kurukshetra Institute of Technology & Management, Kurukshetra has been set-up to provide quality and value-based education. The management has provided infrastructural facilities required for all academic activities. Further, amenities in the form of hostels for both boys & girls, shopping complex, cafeteria, un-interrupted power supply, Wi-Fi enabled campus, indoor and outdoor games, etc. are also provided to create a healthy academic environment. Qualified, dedicated and experienced faculty for teaching as well as for imparting technical training to the students. Emphasis is laid on the discipline amongst the students.

Since there is no short cut to the success except hard work, I would, therefore, expect all the members of staff and the students to imbibe the habit of performing their duties most sincerely and with dedication. I am sure that the effort will bear results automatically.

I convey my best wishes to the students for their fruitful and rewarding career.

This is an age of cut-throat competition. Since the world has been reduced to a global village, this competition has become all the more tough and acute. Only the most competent can achieve the goal and sustain the achievements. In this perspective, sincere effort, commitment, dedication, self-imposed discipline, target-oriented approach coupled with positive attitude and value-based culture can bring the desired results.

The opportunities are in abundance but only for the most deserving ones. The best will always be in demand and to be the best one has to give one's best.

I, therefore, exhort you to be the best so that you are in demand everywhere and we will provide a platform for the same at this Institute. The students are to put in the best efforts in the positive direction and achieve the desired standards and results.

My best wishes to all the aspiring students!

Today, Indian economy is among the world’s leading economies. At present when the US and rest of the west are facing problems, India is growing at around 7% GDP growth rate. It shows India has ample opportunities for jobs, but only for those who have potential to excel in today’s era of stiff competition. You need to groom yourself according to the requirements of your dream profession. No doubt, hard-work is always a pre-requisite for success and there is no short-cut to hard work. Self-imposed discipline is the hallmark of success in life. To become successful in life, we must think and explore, how can we improve the life of common people? How can we solve the problems that our society is facing today? We all need to groom ourselves to contribute our bit to make our country a global power and hence a leader in real sense. It can only be possible if we are competent enough in our respective fields.

Kurukshetra Institute of Technology & Management, Kurukshetra is committed to produce responsible citizens and competent professionals in the disciplines of Engineering and Management, who can face competition at workplace and serve society with zeal and professional ethics.

My best wishes to all admission aspirants. A visit to the campus is always welcome.
It is a privilege to be part of the first convocation of KITM. The Institute looks to have a good campus and infrastructure. I wish all the best for its further progress and success.

Prof. P. Rameshan, Director, IIM, Rohtak

A very good budding Institute with bubbling energy and enthusiasm under excellent Leadership.

Dr. Lazar Mathew, Director & Dean VIT University, Vellore

I am very much impressed on my visit to the campus and complement the management, faculty and the students, who have made this Institute so impressive.

Mr. K.R. Kamath, Chairman and Managing Director, Punjab National Bank, New Delhi

KITM is one of the Institute in which Kurukshetra University and State of Haryana take pride. It strives to achieve excellence by maintaining good standard in education, culture and students conduct.

Lt. gen. (Dr.) D D S Sandhu, Vice Chancellor, Kurukshetra University

I congratulate KITM for creating environment which is likely to attract quality students in its various degree programmes and the institute will reap the advantage in long run.

Dr. L.K. Maheshwari, Former Vice Chancellor, BITS, Pilani

The commitment of the management, staff and students is just ‘SUPERB’ and it was a great learning experience for me.

Dr. Yudhbir Singh, IAS

It was a pleasure attending 2nd convocation held at KITM Kurukshetra. My compliments to BOG and owners of KITM for wonderful campus and facilities, built and operated by them to produce world class engineers and management professionals. Keep it up.

Dr. Mahesh Gupta, Chairman, Kent RO systems Limited

It’s heartening to see a campus having many future plans to make it a special centre in the region.

Dr. K.S. Chari, Senior Director and Chairman, Dept. of Information Technology, IEEE SSCS Chapter, New Delhi

I congratulate KITM for creating environment which is likely to attract quality students in its various degree programmes and the Institute will reap the advantage in long run.

Dr. L.K. Maheshwari, Former Vice Chancellor, BITS, Pilani

A great experience to visit KITM. Well placed location with beautiful infrastructure. Students are brilliantly motivated.

Mr. Nikhil Gajraj, IAS

Happy to see the excellent campus & facility.

Dr. Surendra Pal, Sr. Advisor – Sat Navigation & Dist. Scientist, ISRO and President, IETE, New Delhi

Institution with focus on emerging technology

Prof. Anand Mohan, Director, NIT, Kurukshetra

A great experience visiting KITM’s beautiful and well maintained campus and interacting with the staff and students.

Mr. Rakesh K. Arya, IPS

It has been a nice experience visiting KITM's beautiful and well maintained campus and interacting with the staff and students.

Mr. Rakesh K. Arya, IPS

Dr. Lazar Mathew, Director & Dean VIT University, Vellore

I am very much impressed on my visit to the campus and complement the management, faculty and the students, who have made this Institute so impressive.

Mr. K.R. Kamath, Chairman and Managing Director, Punjab National Bank, New Delhi

KITM is one of the Institute in which Kurukshetra University and State of Haryana take pride. It strives to achieve excellence by maintaining good standard in education, culture and students conduct.

Lt. gen. (Dr.) D D S Sandhu, Vice Chancellor, Kurukshetra University

I congratulate KITM for creating environment which is likely to attract quality students in its various degree programmes and the institute will reap the advantage in long run.

Dr. L.K. Maheshwari, Former Vice Chancellor, BITS, Pilani

The commitment of the management, staff and students is just ‘SUPERB’ and it was a great learning experience for me.

Dr. Yudhbir Singh, IAS
“KITM taught me to stay up and move ahead always with passion. It is a place where I learned to develop my skills in a new and unique way”.
Amrender Singh (ECE, 2007)
Software Engg., Fiserv

“With the help of KITM I have substantially improved my understanding of Computer Science and Information Technology. KITM is simply an example of studying in a congenial environment”.
Atul Mittal (CSE, 2012)
SVC Information Developer, Hewlett Packard Enterprise

“I am glad to be a part of this institution which has helped me to stand on my feet. I owe a lot to all my mentors in the Training & Placement Cell as well as my academic professors because I have reached such great heights with their support”.
Vikrant Hans (MBA, 2014)
BDE, Microgene Diagnostic System Pvt. Ltd.

“I thank the Institute and my teachers who mentored and made me what I am and where I am today in my life. From this Institute, I took away two lessons; first - You should have a multidimensional approach and second - You need to look beyond what you are doing today”.
Om Prakash (MBA, 2014)
Lead Talent Acquisition, Infosys

“I am working in Tata Steel Ltd. just because of faculty members of KITM”.
Ejaz Ahmad (MBA, 2011)
Area Sales Manager, TATA Tiscon

“My teachers at KITM helped me in selecting a right path in life and made me a virtuous person. I don’t find words to express my gratitude to my teachers for their hard work, honesty and dedication”.
Vikky Kumar (ME, 2012),
Tube Investment Metal, Murugappa Group

“I feel proud to be a student of KITM. I am a successful person due to the exposure that I got at KITM”.
Kapil Sharma (MBA, 2010)
Area Sales officer, Panasonic Smartphone

“In KITM " I learnt how to work in a team……and to live independently”
Rahul Khurana (CSE, 2007)
Associate QA L2, Sapien Consulting Pvt. Ltd.

“It is a great honour and privilege for me to be an alumnus of KITM. I am also thankful to my teachers who helped me in building my career”.
Man Mohan Krishna (ECE, 2008)
Design Engineer, Abacus Softtech Ltd.

“I am thankful to the faculty, management and ‘Training and Placement Officer’ for providing me with all necessary support, guidance to achieve my goals”.
Karan Arora (CSE, 2009)
Software Testing Engineer, QA Infotech Pvt. Ltd.

“I am thankful to the Institute for extending support to build my bright future”.
Piyush Bansal (ECE, 2009)
AM BSS Engineer, Nokia Siemens Networks
The Department of Computer Science and Engineering provides a superior teaching environment for its students to flourish. With globalization of Indian economy, vast opportunities of growth have been thrown open for the computer software and hardware industry. Software being one of the largest growing sectors of the Indian economy, the Department of Computer Science & Engineering has been at the forefront of training software engineers with high caliber of technical expertise.

Besides imparting theoretical knowledge, stress is laid on hands-on practical training. The Department has the most up-to-date computing equipment to support the research and teaching activities, namely, Multimedia Lab, Programming Lab, Networking Lab and Operating Systems Lab etc.

This Department is an exciting place in which the faculty is friendly, well qualified and able to provide a supportive environment for students to study.

The Department of Electronics & Communication Engineering is equipped to meet the growing demand of professionals in this field. Major tools/equipment available in labs include Multisim for circuit design, Xilinx for VHDL programming, FPGA and CPLD kits for implementing various algorithms and Digital Storage Oscilloscopes for signal analysis. The Department is running training activities in designing and fabricating hardware electronics projects to prepare the students employable in the market.

A MEMS design lab has been established in ECE department under NPMASS (National Programme for Micro and Smart Structures) with tools, namely, COMSOL Multiphysics and Intellisuite. The Department has established active collaboration with reputed universities and institutes for research and development work in areas related to MEMS and microelectronics.

R&D projects sponsored by DRDO have been completed in this department and students get opportunity to work on such live projects.
Electrical engineering is a very broad field concerned with continuously evolving areas of power production and power distribution. As technology has advanced, so have the challenges facing the modern engineer. The EE Department at KITM prepares students in this field using new-age information and computer-intensive technologies.

The emphasis of the curriculum is to provide students with a vast panorama of knowledge by blending theory with practice. Department provides knowledge and skills required for a successful career to the students.

Mechanical engineers are concerned with the principles of force, energy and motion. Mechanical engineers make an impact in almost every aspect of modern society due to their vital roles in the design and making of a variety of products essential for day-to-day activities of human beings. The Department has good infrastructural facilities and the labs are well equipped. There is a CAD-CAM lab with latest softwares like AUTO-CAD, Autodesk MEP, Autodesk Inventor Fusion, CATIA, Cut Viewer Simulation, Pro-E and Solid Works in order to train students in the latest technology to deal with the problems related to mechanical design. CNC lathe trainer equipped with simulation software provides CNC programming skills to the students.

Mech-Maven, a society of Mechanical Engineers, is working in the Department to conduct various co-curricular activities for the benefit of students and staff. The Department has also started Short-Term Training Modules like “CNC Programming & Manufacturing”, “Mechanical CAD”, “Refrigeration & Air Conditioning”, “Automobile Engineering” and “Production Engineering”. These courses enhance the employability skills of the students and help them meet the present day requirements of Industries.
The Humanities & Applied Sciences Department of the Institute has highly qualified and experienced faculty to impart knowledge and skill in basic applied science subjects and humanities. This is very essential for the students to make them capable of studying the professional courses. Subjects like Physics, Chemistry, Mathematics, Biotechnology and English are taught which help the students to understand various concepts of engineering and prepare them to meet the requirements for learning the engineering subjects.

Seeing the need for proficiency in English language in the present era of globalization, a Language Lab has also been established in the Institute.

The Department of Management Studies was established in the year 2008. The vision of the Department is to impart quality business education and to uniquely equip students with the necessary knowledge, acumen and skills to effectively tackle the challenges being faced by transnational business and industry. DMS offers a multidisciplinary business education to foster academic excellence, industry involvement and collaborations. The specializations offered for MBA are; Marketing Management, Financial Management, Human Resource Management and International Business. The ‘Training and Placement Cell’ works consistently to ensure that the passing out students get ample opportunities to participate in mock tests and interviews. Programmes for soft skills and personality development are regular features of the curriculum. Seminars, Workshops, Entrepreneurship and Management Development Programmes, sponsored by MSME, Govt. of India, Industrial Visits, and Guest Lectures from industrial experts etc. are the part and parcel of the curriculum. The Department also publishes online a monthly magazine “Top Stories Monthly”, a complete general awareness source to help compete students in the professional market.
KITM has a well-organized Training & Placement cell headed by dedicated and experienced management expert. To provide real life exposure to the students, industrial visits are organized and senior executives from the corporate world are invited to address the students. To improve self-confidence and personal effectiveness of the students, mock interviews, group discussions, case studies, communication skill workshops, career mapping and personality development programmes are frequently organized by the Institute. This cell provides placement opportunities to all eligible students.

KITM has MoUs with institutions like MSME (A Govt. of India Undertaking), Delhi University, Thapar University, CEERI Pilani etc. to enhance the career development prospects of the students as well as to facilitate higher education and research of faculty members.

Our Prestigious Recruiters
INDUSTRIAL VISITS AND EXCURSION TOURS
**Smart India Hackathon 2017**

The Department of Computer Science & Engg. of KITM has participated in Smart India Hackathon 2017, which is a convergence of different initiatives taken by Govt. of India such as Digital India, Start-up India, Stand-up India and Skill India. It is a digital programming competition wherein students are challenged to think out of box and offer innovative solutions for some of the daunting problems being faced by our nation.

**Workshops, Management & Entrepreneurship Development Programmes by MSME Govt. of India**

The EDP cell of the Institute has conducted a variety of Management and Entrepreneurship development programmes sponsored by MSME, Govt. of India, Development Institute, Karnal such as Marketing Management, Quality Systems Management, Business Skills development and Entrepreneurship Development Programmes every year.

**Students Forum Under IETE**

The Institution of Electronics and Telecommunication Engineers (IETE), India’s leading recognized technical professional body established student forum in August 2012 in KITM. Different activities such as seminars and workshops are organized under the banner of IETE. The Institute has organized IETE Diamond Jubilee National Seminar on “Sensors-Technology & Applications” and one day workshop on “PCB-Designing” in association with IETE.

**NMEICT Project, Ministry of HRD, Govt. of India**

KITM Kurukshetra is a channel partner of IIT, Bombay and IIT, Kharagpur under NMEICT, Ministry of Human Resource Development, Government of India to provide high quality, personalized and interactive knowledge modules over the internet in any-time, any-where mode. An initiative has been taken by IIT Bombay and IIT Kharagpur to work with leading Engineering Colleges in the country to enhance the teaching skills of our faculty colleagues in core Engineering and Science subjects.

**Research Projects under the guidance of Dr. P. J. George, Director-Principal, KITM, Kurukshetra**

- KITM participated in a national project NPMASS. Faculty and students designed MEMS based devices for ISRO, IGCAR, DRDO, etc. Through Industrial Design cell and Software Developers’ League students of KITM are working on many live projects. Many of the completed projects are deployed at the users end.
- KITM, Kurukshetra in collaboration with CEERI, Pilani designed and fabricated a “MEMS based Acoustic Sensor”. This sensor was successfully deployed in the “Chandrayan – I” Mission.
- Project work on the Design of MEMS based capacitive micro-machined ultrasonic Transducers (CMUT) funded by Naval Physical Oceanography Laboratory (NPOL), DRDO Kochi has been completed.
The library of the Institute is fully air-conditioned and computerized. The library has a collection of more than 16000 books, covering all the branches of engineering and management including reference books. The digital library contains digital media books and magazines, media discs, etc. Standard books pertaining to the prescribed syllabi as well as a wide spectrum of inspiring books and books of current topics are added to the library regularly. In addition to the printed versions of journals and magazines, a large number of online journals through DELNET encompassing all disciplines are accessible to the academic community of the Institute. It has all facilities based on modern information technology such as dedicated broadband internet connection, surveillance system, digital library and reprographic facility. The library holdings can be accessed by a computerized online public access catalog (OPAC). In digital library, learning resources like; digital books, video and audio lectures of eminent faculty of reputed institutes are available in digital form for access through intranet for the students and teachers. The library is manned by well qualified and experienced staff.
KITM provides hostel facility for its students. There are separate hostel accommodation for boys and girls. The hostels have home like environment with spacious, well furnished rooms with proper ventilation. There is 24 hour water supply and power back-up. The students can devote their precious time in studies and recreational activities in a convenient and comfortable manner, while experiencing the hostel life. Full security is ensured for both the hostels. The students are served with healthy and delicious diet in the mess. There are common rooms in the hostels which have DTH and indoor games facilities. The Institute also pays attention to the good health of the students and for this purpose a gymnasium has been provided with latest equipment and machines. The students can avail the internet facility anywhere any-time, due to Wi-Fi equipped campus. The hostels are situated within the Institute’s campus in serene and green environment best suited for the overall growth of the students. In case of emergency, 24 hour ambulance is available, in addition to first aid facility in the campus itself.

The cafeteria and shopping complex in the campus caters to the day to day needs of the staff and students. The cafeteria provides tasty snacks and meals at affordable costs. The shops provide facilities like photostat, photography etc., and necessary stationery items for day to day use of students and residents.
An air-conditioned hall with facility like stage, green rooms etc. has been provided for organizing various co-curricular activities by the students. Students use this hall for practicing for cultural events and also for welcome and farewell parties. KITM band uses this hall for regular practice.

**ATM & Cashless Transactions Facilities**

In line with the vision of Govt. of India, KITM promotes cashless transaction through POS and Internet Banking etc. The campus has got the ATM facility, set up by Punjab National Bank at the main gate of campus.

**Computer Centre and Wi-Fi Campus**

Internet connectivity is provided with Reliance fiber-optic link of **32 mbps** bandwidth. This centre manages the Wi-Fi connectivity of the entire campus. The centre has a number of scanners and printers. Technical support staff is available to ensure proper functioning of the entire computer network of the Institute.

**Dispensary**

First Aid and **24 hour ambulance** facilities are provided in the Institute to take care of the emergency medical needs of students and staff.

**Transportation**

Institute is easily accessible through the public transport system. Additionally, the Institute has a fleet of comfortable buses to provide transportation from Kurukshetra, Karnal, Taraori, Nilokheri, Indri, Ladwa, Pehowa, Cheeka, Ismailabad, Kaithal, and nearby places.

**Auditorium, Conference Hall and Seminar Hall**

Aesthetically furnished Conference Hall and Seminar Hall equipped with multi-media audio-visual aids are available for organizing meetings, cultural events, conferences and seminars. An auditorium with a seating capacity of 300 has been built with all audio-visual and other amenities for organizing students’ functions and seminars.
The Institute undertakes various campaigns for the benefit of society at large. JAGRITI is one such initiative taken by the KITM. JAGRITI attempts to harness the innovative ideas in the fields of Science, Technology and Management through different scientific awareness and talent search activities among the youth of the region. It provides a platform to the budding technocrats, scientists and entrepreneurs to express their dream ideas.

Under the siege of VISAKA, KITM, in association with SBI, Regional Business Office, Kurukshetra, has initiated a social awareness campaign on ‘Cashless Transactions and Digital Economy’ to inculcate the habit of cashless transactions in public.
**Divya Kurukshetra Mission**

Faculty and students participated in ‘Divya Swachhata Abhiyan’ at Thanesar, Kurukshetra.

**Workshop by Yuva and Seva Foundation**

**Tree Plantation by KITM**

**Blessings of Sri Sri Ravi Shankerji**
CELEBRATIONS & OTHER CAMPUS EVENTS

Star Night with Badshah

Star Night with Ankit Tiwari

Lohri Celebration
Kite Festival on Basant Panchami

Dance show by Alankrit - A Musical Club

Independence Day Celebration

Teachers’ Day Celebration

Euphoria: A Techno-cultural Event

CommecBuzz: A State Level Commerce and Economics Quiz Competition
Rangoli and Mehndi Competition Sponsored by District Election Commission, Kurukshetra

Talent Hunt Winners: Organized by Kurukshetra University Kurukshetra

Convocation-2016
The second convocation of the Institute was graced by Dr. Mahesh Gupta, Chairman & Managing Director, Kent RO Systems Ltd., wherein 327 students were conferred upon the Bachelor's and Master's Degrees to the passed out students of M. Tech, MBA, B. Tech. and BBA. In the Convocation, gold medals were awarded to the meritorious students of all courses.
Alumni Meet-2016

An Alumni Meet was held at KITM and Alumni Association was constituted formally.

Sports

KITM has well maintained playgrounds for all-round development of students. Various games like cricket, football, basketball etc. and athletics are organized regularly under the supervision of a qualified Sports Officer.

Sports and fitness activities are an integral component at KITM. Special emphasis is given on improving not only wellness and lifestyle of students but also to instill the qualities of team cohesion and sportsman-spirit.
Extension Lectures are held from time to time to bring in realities of the corporate sector and keep students abreast with industry development. This helps in building rapport of student community with the industry. The Institute has invited the eminent academicians and industrial personalities for the extension lectures.
The Institute is presently offering B. Tech. M. Tech., BBA and MBA degree courses of Kurukshetra University, Kurukshetra, as per following details:

- **4- YEAR B.TECH. DEGREE COURSE**
  - Discipline
    - COMPUTER SCIENCE & ENGG. 120
    - ELECTRONICS & COMM. ENGG. 60
    - MECHANICAL ENGG. 60
    - ELECTRICAL ENGG. 60
  
  20% seats in each course, over and above the approved intake are for LEET students.

- **3- YEAR B.TECH. DEGREE COURSE UNDER LATERAL ENTRY (LEET) SCHEME**
  - Discipline
    - COMPUTER SCIENCE & ENGG. 24
    - ELECTRONICS & COMM. ENGG. 12
    - MECHANICAL ENGG. 12
    - ELECTRICAL ENGG. 12

- **2- YEAR M.TECH. DEGREE COURSE**
  - Discipline
    - COMPUTER SCIENCE & ENGG. 24
    - ELECTRONICS & COMM. ENGG. 18

- **3- YEAR BBA DEGREE COURSE**
  - 60

- **2- YEAR MBA COURSE**
  - 60

### Scholarships for the Students of 1st Year (Only for Haryana Domicile)

1. **B.Tech.**
   - 85% and above in qualifying exam: 50% of tuition fee
   - Below 85% to 80%: 25% of tuition fee
   - Below 80% to 70%: 20% of tuition fee
   - Below 70% to 60%: 15% of tuition fee
   - JEE-Mains Rank:
     - 01-20000: 75% of tuition fee
     - 20001-40000: 50% of tuition fee
     - 40001-50000: 25% of tuition fee
     - 50001-100000: 15% of tuition fee

2. **M.Tech.**
   - 85% and above in qualifying exam: 50% of tuition fee
   - Below 85% to 80%: 35% of tuition fee
   - Below 80% to 70%: 30% of tuition fee
   - Below 70% to 60%: 25% of tuition fee
   - or GATE score: 40% of tuition fee

3. **BBA & MBA.**
   - 85% and above in qualifying exam: 50% of tuition fee
   - Below 85% to 80%: 25% of tuition fee
   - Below 80% to 70%: 20% of tuition fee
   - Below 70% to 60%: 15% of tuition fee

4. Institute's scholarship for 2nd year onwards for all courses will depend upon the performance of students in the preceding semesters' examination results. The awardee of the scholarship is required to obtain the percentage of marks, as mentioned above, in the University Examinations. The continuation of the scholarship in the subsequent years will be de-linked from the payment of Institute fees. The students will be required to pay the fees and other charges in full and the payment of scholarship amount will be made after the declaration of the results and the fulfillment of criteria of requisite percentage of marks and 70% attendance in all subjects. For continuation of scholarship, awardee should not indulge in any in-disciplinary activity and should have no reappear in University Examinations. Non-fulfillment of requisite conditions shall make a student ineligible for scholarship for rest of his/her course.

5. In addition, holder of 1st, 2nd or 3rd rank in University will be awarded cash prizes as incentives for their performance.
